Since all string solos and ensembles are scheduled under one judge, you will be assigned blocks of time for your school. During these time blocks you can organize your students to perform in any manner you choose.

Note: If the following section is used be sure that the total number of events for both days does not exceed your schools total entries.

I have a special problem and some of my students are unable to attend the contest on our main scheduled day, therefore, I request that in addition to the events listed above, the following events be scheduled on:

Friday____(aft.) Saturday____(morn.) Saturday____(aft.)
