UNIVERSITY INTERSCHOLASTIC LEAGUE

REGION 24 MUSIC CONTESTS

MEMORANDUM

Fall, 2008

To: Region 24 High School Band Directors
From: Jim McDaniel, Executive Secretary
Re: Certification to **Area B (3A)** or **(5A)** Marching Contest

In order to comply with requirements for certification to the **Area B** Marching Band Contest as outlined in the C & CR, we must have a "statement of intent" over the signatures of the band director, and principal or superintendent of each school entering a marching band in the Region Contest **(this year 3A & 5A only).** They must indicate **WHETHER OR NOT** their band will continue on to the Area B Contest, if their band qualifies by receiving a Division 1 rating or one the two highest band scores in their classification.

Therefore, I am requesting that the appropriate persons answer and sign the "Statement of Intent" below. **This document is to be included along with the regular Region Contest entry papers. FAILURE TO COMPLY** means your band **CANNOT BE CERTIFIED** to advance to the Area B Contest, even if it does receive a Division 1 rating at the Region Contest. Incidentally, if I don't receive this document, I have no way of knowing if you lost it, didn't receive it, forgot it, or what. So regardless of your intention to enter the Area B Contest, **SEND IT IN** so I will know what you intend to do. Your cooperation is always appreciated, and I thank you for it.
